

GOVERNMENT OF MEGHALAYA
INFORMATION TECHNOLOGY & COMMUNICATIONS DEPARTMENT

No. ITC.45/2022/

Dated Shillong the 19th June 2023

NOTICE
INVITING COMMENTS FROM PUBLIC AND STAKEHOLDERS

DRAFT MEGHALAYA TELECOM INFRASTRUCTURE (AMENDMENT) POLICY, 2023

Pursuant to the decision of the State Broadband Committee (SBC), chaired by the Chief Secretary, Government of Meghalaya, in its meeting held on 28th October 2022, the Information Technology & Communications (IT&C) Department, Government of Meghalaya, drafted the Meghalaya Telecom Infrastructure (Amendment) Policy, 2023, to amend the Meghalaya Telecom Infrastructure Policy, 2018.

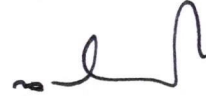

The draft Meghalaya Telecom Infrastructure (Amendment) Policy, 2023, aims to further enhance the telecom and broadband penetration including 5G technology in Meghalaya. This draft Policy is in line with the latest Rules and Guidelines issued by the Department of Telecommunications (DoT), Ministry of Communications, Government of India, thereby addressing the State specific requirements.

The draft Meghalaya Telecom Infrastructure (Amendment) Policy, 2023, is accessible at:

<https://ditmeghalaya.gov.in/>

The Working Committee under SBC in its meeting held on 16th June 2023, decided to solicit views and comments from stakeholders including concerned State Government Departments, Agencies, Cellular Operators Association of India (COAI), Digital Infrastructure Providers Association (DIPA), Telecom Service Providers (TSPs), Infrastructure Providers (IPs), and the public.

Accordingly, the concerned stakeholders and public may present their views and comments latest by **3rd of July 2023 by 5 pm** to the **under-signedor** by email to debertgill.dkhar@nic.in

(Pravin Bakshi, IAS)

Commissioner & Secretary to the Government of Meghalaya
Information Technology & Communications Department
